Outside opening hours

Outside opening hours enter the building by using the security key (available from Student Union SAIKO office). Students are not allowed to stay in the main building after 22.30, unless agreed in advance with the Degree Programme Manager in question. The Manager has to inform the security service.

If you have received permission to stay on weekday evening after 22:30, always log in with the security key (reader located on the outer side of the door) between 22.00 and 22.30. You need to log yourself in like this even if you have arrived earlier. Students' security key does not open the doors after 22.30.

If you enter the building during weekend or public holiday, always open the door with the security key. When you exit the building open the door always with the security key (reader located on the inner side of the door).

When you leave the building, always exit using the controlled doors (main entrance, door C and door F) and log yourself out by using the security key.

Entrance on weekends and holidays always by using controlled doors (main entrance, door C and door F).

Security Service

Security Service performs controls electronically and by doing rounds at the premises. Guards are obliged to remove all unauthorized persons found in the building outside given timetable. All visits caused by alarms will be billed from the person who caused the alarm, the cost of the alarm visit is 75€ minimum.
